Hi Debra,

Thanks for the edits! I've accepted your changes on the attached. Once we work out a version that we agree on, I'll send that to the RD IO.

Hope you had a great holiday.

Dian

Importance: High

Hi All.

Attached is a copy of the draft OPP Update for aldicarb alone. In this morning's meeting, it seemed that Ed did not want to combine aldicarb and strep, but that's still not certain. At any rate, a good update for aldicarb will serve well if we do combine the two.

I've accepted Catherine's edits and added some questions I have.

Best,
Dian

Thank you, Dian and team. I suggested some edits for the pollinator data discussion. Dan may have more.

Best,
Catherine
